

BSMQ Commitment Statement Template

Onshore Applicant

1. Introduction and background:

Name: *****
Address: ***** QLD
Email ID: *****@gmail.com

I am a dedicated, inherited leader, and a career-oriented person with a reinforced and rich experience of 5 years as a Café manager and I can confidently lead a group or any business. After completing high school in 2012, I decided to pursue a graduate study in Business Management from Australia. For this purpose, I moved to Australia in 2013 and graduated in 2017 from Holmes Institute. During this tenure, I also enrolled myself in different programs, such as an advanced diploma of management and a diploma of management to upgrade my technical skills and to learn business operation plans, policies, team management, etc. Besides, I also did multiple jobs in Queensland to familiarize myself with the Australian job market, living standards, etc. Moreover, I also applied for skill assessment as a restaurant manager and got a positive assessment in August 2020. Nowadays, I am working as a restaurant manager at cafe 107 browns plains.

3. Address each of the three areas in the space provided.

a) Professional

During my study tenure, I also worked in different restaurants and café which turned out beneficial for me because it develops a sense of professionalism in me and grooms my personality. Moreover, throughout this period, I used my capabilities, competencies, and communication & interpersonal skills in the best possible way to fulfill the customer demand. In addition, I learned how to deal with the customers effectively so as to provide them with the best services and applied leadership skills while working along with the kitchen staff. Also, while working as a café manager, I showed myself professionally accountable for my tasks and always developed a plan and schedule. This was done to organize the different tasks to avoid delays and customer complaints. I managed my tasks efficiently and proved myself a good team leader and the best manager by dealing ethically and professionally with my team.

2. Why did you choose to come to Queensland and what have you been doing here?

I opted to live and settle my life in Queensland because of multiple reasons, for instance, friendly and welcoming locals, amazing weather, multicultural city, wonderful beaches, safe and healthy environment, thriving scene of arts, transportation facilities, easy access to basic life facilities, affordable, a lot of employment opportunities, etc. On top of that, the civility of Queensland is perfectly in-line with my mind, it has amazing and beautiful destinations & islands for all types of lifestyle with access to basic facilities, so, I presumed that living in this Australian city would widen my perspective as well as provide me a plenty's of the career opportunities to become the part of a highly educated and civilized city. Moreover, before moving I also did research on this city and found out that Brisbane is a dream place to live a luxurious and comfortable life with the best environment. **Nowadays, I am designated as a Café Manager at Browns Plains Café 107 (Feb 2018 to Present).**

100% Guaranteed Skill Assessment

b) Lifestyle

I always wanted to live a simple life and I'd love to travel, shopping, and socialize. Therefore, I decided to move to Queensland because it is not more than a dream place for me. Brisbane is a livable city with spectacular weather, lively restaurants, vibrant green spaces, etc. Also, it is close to the beaches and has a friendly & relaxed environment which has allowed me to enjoy nature. Moreover, the lifestyle in Brisbane is quite affordable as compared to other Australian cities, as well as, it is relatively a safe state, less congested, and big enough to have all necessary amenities. In a nutshell, this city has been providing me with all facilities to live a dream lifestyle with the kind-hearted, friendly, and lovely Queenslanders.

c) Other

I am a fun-loving person and fond of reading books, shopping, and traveling. My professional as a restaurant manager has enabled me to make good contacts and friendly relationships with many customers and staff members. Besides, by living in Queensland, I have also accomplished my traveling goals, i.e. I got the chance to travel to different locations, suburbs, regions, islands, exploring beautiful beaches, etc.

5. What are your future plans?

Being a professional café manager, I have decided to take my profession to next level by starting up my own restaurant business. But, first I have decided to gain maximum experience in my field to polish my skills. Also, from my market research, I came across that chefs and restaurant managers are in great demand in Australia, and my career opportunities are not only limited to restaurants but also catering, hotels, etc.
